Summary

As a recent graduate of Michigan State University's Full Stack Web Development certificate program, I am excited to bring my newly acquired skills and knowledge to an entry-level position. I am driven by a passion for creating efficient and dynamic web applications. With a solid understanding of both front-end and back-end development, I am well-positioned to contribute to the success of any organization seeking a Full Stack Web Developer.

TECHNICAL SKILLS

JavaScript, CSS, HTML5, SQL, GitHub, MySQL, Express, React, Node, jQuery, Bootstrap, Microsoft Office Suite, Strong communication and interpersonal skills, Leadership and team management experience

Education
